## CLASSWORK:

IT'S ABOUT *YOUR* SUCCESS...

### We'll be working on:

- ★ March 2 Success
- ★ Naviance
- ★ Study help sites
- ★ Making your Macs easier to use
- ★ Organization techniques
- ★ How-to supplements

Students will need to make progress in Naviance tasks and March 2 Success skill builders. You are expected to use this time to make up work, form peer study sessions, meet with other teachers for help and discuss your overall academic progress with their Homeroom teacher.

## EXPECTATIONS:

### RESPECT

...for yourself, for others, for the school, the classroom and your learning environment. **Use good manners** in the classroom - so will I. Hate speech, cyber harassment and/or bullying is unacceptable. It is not acceptable to interfere with other the other students' ability to learn. This is about your behavior in the workplace; be responsible, be respectful.

### PERSONAL RESPONSIBILITY

Know what has to be accomplished each week. Do what needs to be done because that's **your** job. If you don't do it, communicate honestly and immediately with your teacher to solve the problem. This is your educational experience, and you will only get out of it what you put in.

### COMMUNICATION

If you don't let teachers know that you're struggling, need extra help, or that something has gone wrong somewhere, they can't help. **Be self-advocating** - if the grade isn't right or you don't understand, you need to speak up. We can work on positive approaches to this problem, just let me know you need help.
